PROTECTION PLUS®
EXTENDED SERVICE PLAN
EXPRESS

Protection Plus® *Express*

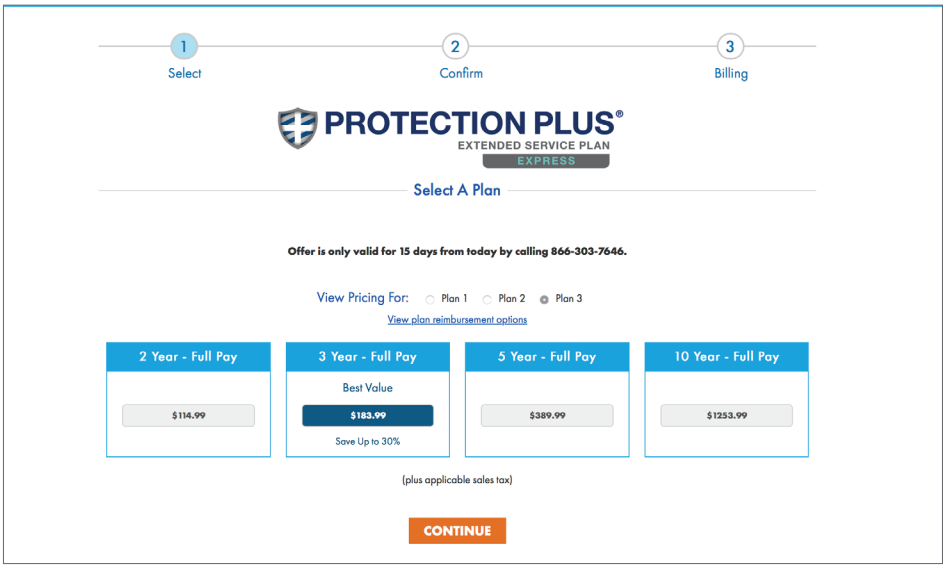

Presenting a new and innovative way to easily purchase Protection Plus®:

About *Express*

Purchase Protection Plus® *Express* residential labor coverage quickly and easily, immediately following the OEM product registration.

- A call-to-action button appears after product registration, giving you the opportunity to add coverage
- If selected, the AIG Warranty portal will launch
- Choose the labor coverage for that equipment
- Consumer and product data populate from the product registration
- Pay for the contract and receive a confirmation

Limitations and exclusions apply. Subject to detailed terms and conditions. Extended warranties provided by AIG's Service Net Warranty, an authorized provider of service contracts. AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. Products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. (AIG). For additional information, please visit our website at www.aig.com.
