Spring Cleaning Checklist

A Simple Checklist to Keep Your Water Heater in Tip Top Shape

- Clean out boxes around your water heater
- Check the age of your water heater
- Register your product and verify your warranty
- Download the EcoNet® app if you have a smart water heater
- Look for leaks or other signs that you need to call a plumber
- Take down a plumber's information at [Rheem.com/Find-A-Pro](https://www.rheem.com/Find-A-Pro)
- Call a pro and set up a maintenance visit for your tank or tankless water heater
